# SAINT PAUL'S CHURCH

## Who we are:

Saint Paul's is a congregation of the Anglican Church in North America. We are committed to evangelism in the spread of the Gospel to all around us. Founded in 1874, Saint Paul's holds to the traditional Anglican faith and practice of the English Reformation.

We are a BIBLICAL church because we are careful to give Scripture its rightful place as the ultimate rule of faith and practice. Reason and tradition are of great value, but Scripture is our highest authority. We are EVANGELICAL because we believe in the necessity of conversion from unbelief to faith in the resurrected Jesus Christ. We are LITURGICAL in that the traditional Book of Common Prayer provides the form for our worship of the Lord Jesus. Finally, we are EPISCOPAL because we enjoy and need the pastoral care of our souls, and we must preserve the faith once delivered. This ancient form of church government helps meet these needs in the best way we know.

## What we believe:

We believe in the . . .

Trinity: One God, Father, Son, and Holy Ghost

Deity of Jesus and His Virgin Birth

Inspiration and authority of the Scriptures

Forgiveness of sins through Christ alone

Gift of Salvation by grace through faith.

As a church in the Anglican tradition, we hold to the Thirty-Nine Articles of Religion, along with the Apostles' and Nicene Creeds as statements of our faith and practise.

## We invite you:

We extend a warm welcome to you and invite you to worship with us every week.
